Welcome!

HELLO

Welcome to St Margaret's – a growing, lively evangelical Anglican church in the heart of Whitnash, Leamington Spa.

Whether you're new to the area, looking for community, or curious about faith, we'd love to meet you.

We meet Sunday mornings at 10am for worship, Sunday afternoons at our church centre for Connect at 4pm, and on Thursdays for Holy Communion. During the week we run home groups, prayer meetings, and courses including Alpha.

We have a thriving youth and children's ministry, meeting on Sundays and midweek for Bible study.

OUR VISION

At St Margaret's, we are passionate about Jesus. Our aim for 2026 is to delight in him and see more people come to know the life-changing love of God.

Our core values:

Fellowship – A faith community centred on Jesus, enjoying life together, sharing its ups and downs, and welcoming others in.

Evangelism – Sharing the good news of Jesus with our neighbours in Whitnash and beyond.

Worship – Bringing our whole community together in praise and devotion to God.

Discipleship – Walking the faith journey together, helping one another learn, grow, and become more like Jesus.
